NACOA The National Association for Children of Alcoholics

The Festival is used as a platform for Nacoa to raise funds and more importantly awareness of the work they do to address the problems children have growing up in families where one or both parents suffer from alcoholism. Celebrity patrons such as Elle Macpherson, Geraldine James OBE, and Fergal Keane OBE are proud supporters of the only organisation in the UK which offers these services. Upfest is a volunteer based festival and has so far raised £20,000 for the charity.
